Feature Highlights

This powerful engine comes standard with a supercharger and external intercooler. It is optimized to run on regular fuel, which lowers fuel costs.

Provides handlebar-activated quick settings so riders can easily find the ideal trim for varying conditions.

The industry's first manufacturer-installed, truly waterproof, Bluetooth[®] audio system.

Exclusive quick-attach system on a large swim platform that allows for easy installation of storage accessories.

Specifically designed to meet the needs of recreational riders, the Polytec GEN 2 material is highly robust and scratch resistant, and reduces overall vehicle weight to improve efficiency.

An impressive 40 gallons of sealed storage space allows riders to safely stow belongings while riding.
